

January 2026

## Happy New Year!

Our first full year as a winery has come to a close, and our hearts are full. We are deeply thankful for every guest, every wine club member, every tour company, and every member of our team who helped shape this journey. From our family to yours- Thank you for being a part of our story.

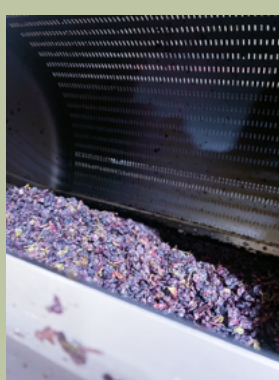

## 2025 Recap

In 2025, we hosted 4 unforgettable wine club parties, each centered around food, wine, and connection. Our September party featured Korean inspired dishes paired with our Texas wines. December wine club party brought this year to a close with a heartfelt Cajun celebration! True Cajun gumbo & fixings prepared by our wonderful Louisiana friends who also happen to be wine club members! These parties reflect what we set out to do...celebrate life with great Texas wines, shared tables, and lasting friendships.

## Harvest Season

The 2025 harvest season in the Texas High Plains unfolded later than usual, with continuous rains pushing harvest into September and October. While the timing was delayed, the fruit shows remarkable promise. We're especially excited with the range of new varieties resting in our cellar...wines we look forward to sharing with you in 2026-2027.

## 2026 Wine Club Parties

Save the dates for our 2026 Wine Club Parties!

Our wine club is about great Texas wines, great food, and even better company. We love celebrating with our members at our club parties. If you haven't joined, we'd love for you to be a part of our story. Join online or at your next visit to the tasting room!

or call us at 830-992-8058

LIVE MUSIC  
SATURDAY 2/14

870 Klein Road  
Stonewall Texas

Full Food & Wine Menu Available Every Day

## 2026 Releases

We have an exciting lineup of wines scheduled for release in 2026, each reflecting the direction and heart of our winery. Leading the way is our 2025 Albariño, a wine that has become a defining part of who we are. We fell in love with this varietal from the beginning, and it will remain a constant in our lineup, so much so that we planted it in our own estate vineyard.

We're also thrilled to introduce Picpoul Blanc, sourced from Formando Vineyards here in Fredericksburg TX.

2026 will also mark an exciting milestone for us with the release of our first sparkling wine! A Sangiovese Sparkling Rosé sourced from Narra Vineyards in the Texas High Plains.

Rounding out the year, we will release our 1st ever Red Blend, a wine that has been a part of our vision from Day 1. This blend carries a very special name and meaning and it will debut alongside several red wines that have been patiently aging in our French Oak barrels.

These wines represent an important next chapter of Featherstone Ranch Vineyards.

## Bottling Volunteers Needed!

We're gearing up for a large bottling week and are looking for volunteers to help bottle our upcoming 2026 releases. Bottling will take place February 2nd-6th. Please email us at [info@featherstoneranch.com](mailto:info@featherstoneranch.com) if you're available. We'd love to have you join us!

Cheers!
